Volunteer Objectives

We aim to collect **10,000 signatures** statewide. With 200 volunteers, each person's target is about **50 signatures**. Your effort directly fuels meaningful change.

Quick Script

Utah has one of the highest child abuse rates in the nation, and a recent bill has **weakened protections for children**—something most Utahns aren't even aware of. This petition, led by We the People of Utah, is about **holding our leaders accountable** and demanding better. By adding your signature, you help us **shine a light** and protect Utah's children. **Can I count on you?**

Thank You

Your commitment ensures every child in Utah has a stronger voice and greater protection. Together, we are the light.
